

DP::Momento

```
classDiagram
    class DP_Momento["DP::Momento"]
    class DP_ConcreteMomento["DP::ConcreteMomento"]
    DP_ConcreteMomento --|> DP_Momento
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'DP::Momento' with a light gray background. Below it is a box labeled 'DP::ConcreteMomento' with a white background. A blue arrow points from the bottom of the 'DP::ConcreteMomento' box to the bottom of the 'DP::Momento' box, indicating that 'DP::ConcreteMomento' inherits from 'DP::Momento'.
